

TIMBER COMPETITION

All registered participants of the Timber competition are invited to join the workshop at Hout Bay House*.

- ✓ Visit the modern CLT construction in Western Cape & find out more about the Novatop system and **important construction details**
- ✓ Meet the competition team and enjoy **networking** with other participants
- ✓ Get **answers** to all your question regarding the Timber competition i.e. rules and conditions etc.

* A report about the workshop will be published on the competition homepage for participants who can not attend
